

**Qin Tian, Ph.D. candidate**

*Gender:* Female

*Date of birth:* April 8, 1995

*Address:* Germplasm Bank of Wild Species, Kunming Institute of Botany, Chinese Academy of Sciences, No.132 Lanhei Road, Kunming, Yunnan 650201, China

*Contact:* +86 15600091566

*Email:* [tianqin@mail.kib.ac.cn](mailto:tianqin@mail.kib.ac.cn)

*Referee* Prof. Tingshuang Yi (Supervisor), Kunming Institute of Botany

**Education**

*Sep 2016 – present* Kunming College of Life Science, University of Chinese Academy of Sciences  
Ph.D. candidate, Systematic and Evolutionary Botany  
GPA of postgraduate is 3.72

*Sep 2012 – Jul 2016* Shanxi Normal University  
B.S., Biotechnology  
GPA of graduate is 3.14/4

*Sep 2009 – Jul 2012* Yundong Senior High School, Shuozhou

*Sep 2006 – Jul 2009* Zhengxing Junior High School, Shuozhou

*Sep 2000 – Jul 2006* Yongjingcheng Primary School, Shuozhou

**Research**

*2016 - present* The phylogeny and diversification studies of the cosmopolitan buckthorn family (Rhamnaceae)

*2016 - 2018* Plastome phylogenomics of Rosales

*2016* The phylogeny of Orobanchaceae

## **Conference Presentation**

- 2020.11                      **National Symposium on Systematic and Evolutionary Botany, Yunnan**  
**Abstract** – A phylogenomic study of the buckthorn family  
(Rhamnaceae)

## **Highlights**

- Skills*    ✓ Extensive experience in **MOLECULAR PHYLOGENY**: prepare molecular data, build phylogenetic tree, divergence time estimation, macroevolutionary analysis.
- ✓ Extensive experience in **BIOINFORMATICS ANALYSIS**: write Python, R and Linux scripts to handle big data.

## **Honor & Awards**

- 2019 - 2020                      Award of Honor for Merit Student, Kunming Institute of Botany, China
- 2014 – 2015                      The Third Prize Scholarship, Shanxi Normal University, China
- 2013 – 2014                      The Second Prize Scholarship, Shanxi Normal University, China
- 2012 – 2013                      The Second Prize Scholarship, Shanxi Normal University, China
